

Are You Eligible for Subsidy?

(For Wells in Manitoba Only)

- * For Subsidy USE PRIVATE SUBSIDY PROGRAM FORM.
- * Samples must be submitted in sterile lab provided bottles specifically for E.Coli/Coliform Test. These are available at local RM offices, as well as the lab directly.
- * Samples must arrive to the lab **no more than 24 hours after being taken**.
- * Samples must remain cool, but not allowed to freeze.
- * Manitoba Sustainable Development Private Subsidy Program form must be filled out in full, including the Legal Location.
- * Cheques must be made payable to Horizon Lab. Payment may also be made in cash or by VISA, MC, or debit. Note: Debit not available if mailing sample in.

Please call Horizon Lab at 204-488-2035 if you have any questions. Our current prices are available online at www.horizonlab.ca or by calling the lab.
